## TIPS FOR VISITING

- Palm Beach County is the largest county (by area) in Florida. Plan the day accordingly and for those attempting to see multiple regions, please factor travel time into your schedule.
- This is a rare opportunity where each participating artist is welcoming you into their private creative spaces. Please treat each artist and studio with respect and care.
- Please ask permission from the artist before taking photos of their work.
- If you find a piece you're interested in purchasing, discuss with the artist or gallerist to learn more.
